

Requirements for Using Your Personal iPad at School

Jasper City Schools

High Standards – High Expectations – High Performance

Requirements:

- Personal iPads brought on the campus of any school in the Jasper City School District must follow the guidelines outlined in the Student/Parent iPad/Netbook Use Agreement as related to daily use, student responsibility, student discipline, and digital citizenship.
- Personal iPads brought on the campus of any school in the Jasper City School District will adhere to all policies in the Jasper City Schools' Parent-Student Handbook.
- A guardian and student must sign and return the Student/Parent iPad/Netbook Use Agreement to the school.
- Apps that the school purchased for the district-purchased iPads will need to be installed on your personal iPad. You will find a recommended list of Apps on our district web site.
- Jasper City Schools uses a specific App which is configured to work with our system and will need to be installed on your personal iPad. This App allows us to manage the iPad while it is on campus.
- In the event the student's iPad is out of storage and required material is needed on the iPad, we will require the student to delete items to free up storage on the iPad.
- The school district has the right to collect and examine any device that is suspected of causing problems or being the source of an attack or virus infection.

The Jasper City School District is in no way responsible for the following:

- Personal devices that are broken while at school or during school-sponsored activities
- Personal devices that are lost or stolen at school or during school-sponsored activities
- Maintenance or upkeep of any device (keeping it charged, installing updates or upgrades, fixing any software or hardware issues)
